

Introducing... the CUBE

When you choose Sanremo Coffee Machines, you are not just buying a professional tool or a piece of design: you are acquiring the key to enter our world of "coffee lovers".

When you turn on a Sanremo, you turn on your passion for coffee.

The perfect fit for everyone.

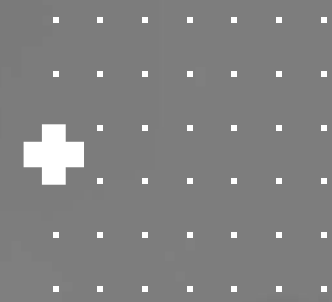

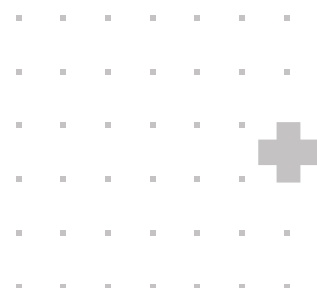

Small machine, big impact

The CUBE is our most compact coffee machine to date. But beneath its minimal exterior lies the technology and power you would expect from any Sanremo machine. Style, and serious substance.

Not just a coffee machine, it's a lifestyle.

Be your own barista

Barista-standard coffee in your own home, at work, wherever and whenever you want.

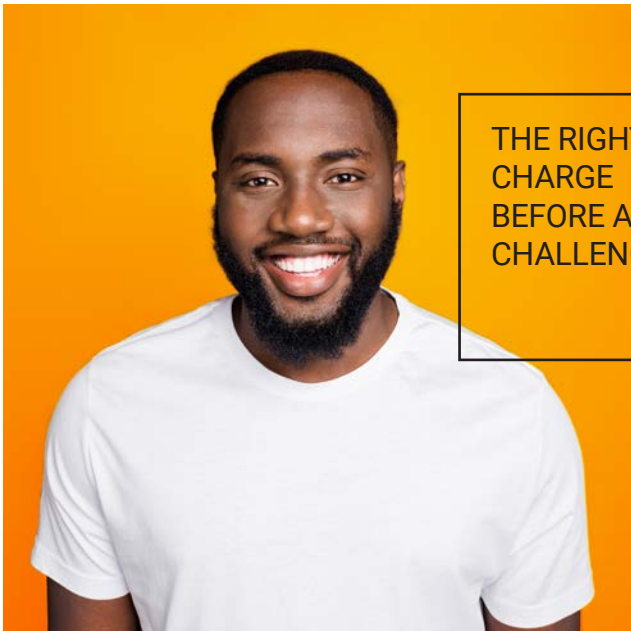

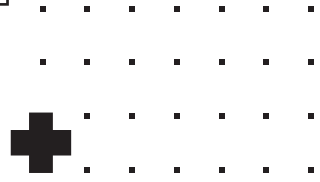

The CUBE ensures the highest quality coffee experience, cup after cup.

It's time to be your own barista.

Which one is yours?

CUBE V

CUBE R

Make it yours

Customise your CUBE with different colours and finish options. From simple and chic, to bright and bold - build your dream machine.

Both CUBE V and CUBE R are available in 3 different body styles: A, B & C.

-  Stainless Steel
-  Onyx Black
-  Snow White
-  Racing Red
-  Candy Pink
-  Matcha Green
-  Azure Lake
-  Yolk Yellow

CUBE A

The A version is the simplest and most minimal solution, suitable for a domestic customer. The cover panels of the machine are in a single color.

Standard finishes

Special finishes

CUBE B

On the version B the side panels are perforated to show an underlying sheet that can be customized.

Available finishes of the body

Available finishes for the central box

CUBE C Custom

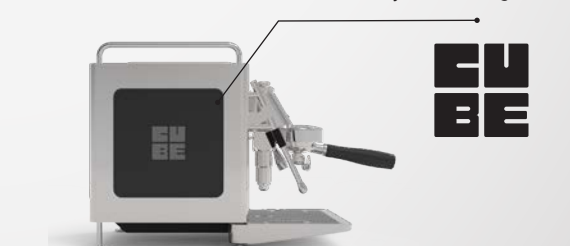

Wood Leather Fabric on demand

This model is dedicated to fans of the Sanremo style who wish to have a unique and highly personalized product, which can be in harmony with their tastes and with the surrounding environment.

It's possible to customize the central box with special colours and/or your own logo.

Power, in your hands

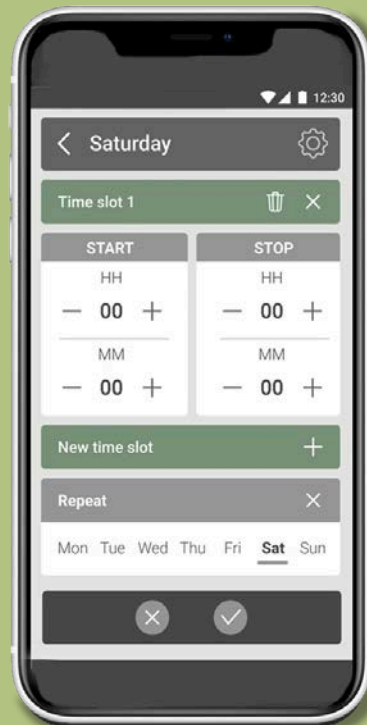

With WiFi technology and the CUBE app you can control your machine from your phone! Including:

- + Remote machine on/off
- + Set-up boiler temperature for CUBE_R
- + Manage water tank level
- + Enable and manage water filter signaling.
- + Show shot time in real time
- + Statistics: daily, weekly and monthly counters for coffee and water consumption.
- + Weekly scheduler to program up to three different "time slot" per day to fit perfectly around your life!

ON & OFF from your phone

Huge energy saving

Point-to-Point directly with Machine

Cloud to access from anywhere

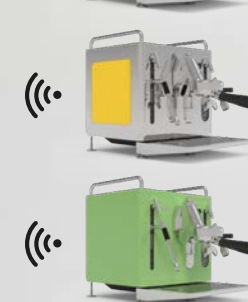

Different connection modes are available with mobile, tablet and PC:

Smart coffee at your finger tips.

Manage more than one machine with the same app in different places!

Perfect to manage and control for machines in your home, B&B, hotel, office etc...

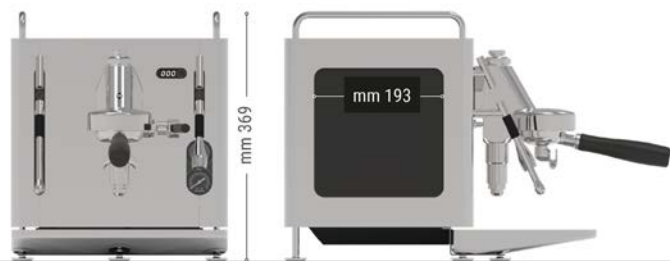

Enjoy your coffee cubed!

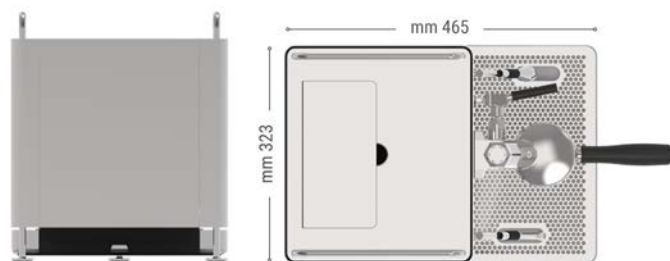

Made for coffee lovers. The CUBE allows you to savour those sacred coffee moments.
